

Northwest Democrats

SEPTEMBER SPECIAL PROJECT

VFW Post 9186 and American GI Forum of 'My City Is My Home' are working together on a new care-package effort for San Antonio-area sailors serving on extended overseas deployment.

Currently Requested Items

- Spearmint gum
- Oatmeal cups and/or granola bars
- Cheez-It boxes and similar snacks
- Nose strips for pores/blackheads
- Men's face wash
- Q-tips
- Toothbrush packs
- Loofahs
- Other practical, shelf-stable snacks and personal-care items suitable for a long shipment

Please keep in mind that packages may take several weeks to reach deployed sailors, so donated food should be shelf-stable and able to tolerate a long trip.

NWD will be collecting these items and monetary donations at the September 19th meeting. If you would like to donate on our ActBlue website or write a personal check to NWD, Northwest Democrats will write one check to the organization.

Thank you for your support and generosity to our extended community.
