Sometimes “Thank You” is not enough, but even the smallest kindness you do is gratefully appreciated. We’ll make it through and be stronger together.

Joyce is one of those people who goes the extra mile for Democratic candidates. Who else would spend the night in a campaign office to prevent the eviction of that office? An eviction that would have resulted in a current Congressman's then campaign for State Rep. to being thrown out on the street.

Remember: Never look Joyce directly in the eye for more than 3 seconds. She'll ask you for money.

A Tale of Wishful Thinking

Five people were on board an airplane: Donald Trump, Boris Johnson, Angela Merkel, Pope Francis, a 10-year-old boy. The plane is about to crash and there are only 4 parachutes. Trump said, "I need one. I'm the smartest man in the USA and am needed to sort out the problems of the World!", takes one parachute and jumps. Boris said, "I'm needed to sort out Britain." He takes one and jumps. The Pope said, "I need one as the world needs the Catholic Church." He takes one and jumps. Angela said to the 10-year-old: "You can have the last parachute. I've lived by life, yours is only starting." The 10-year-old replied, "Don't worry, there are 2 parachutes left. The smartest man in the USA took my backpack."
