A Few Joyce Words will return in May

C. S. Lewis, British theologian, wrote

“I am a democrat because I believe that no man or group of men is good enough to be trusted with uncontrolled power over others. And the higher the pretensions of such power, the more dangerous I think it is both to rulers and to the subjects. Hence, Theocracy is the worst of all governments The inquisitor who mistakes his own cruelty and lust for power and fear for the voice of Heaven will torment us infinitely more because he torments us with the approval of his own conscience and his better impulses appear to him as temptations.”

Precious Lord, Take My Hand

Excerpt from Gary Clack, *SA Express News*, April 1, 2022

**“When my way grows drear,
Precious Lord, linger near,
When my light is almost gone,
Hear my cry, hear my call
Hold my hand lest I fall
Take my hand, Precious Lord
Lead me on
Precious Lord, take my hand.’**

Whether one is of faith, little faith or no faith, the song asks us to believe the longest and darkest of nights won't last, that the most treacherous of storms will end and when we are our weakest is when we will discover our strength.

Somehow, we'll find our way home.”
