## September 17<sup>th</sup> Program

Our guests will be Democratic candidates on the November ballot. All of the Democrats have been invited to discuss their goals for San Antonio, for Texas, for the US. We'll be meeting at **Luby's** (Huebner@Floyd Curl). Meeting begins at 8:30 am. Continental breakfast: \$7

## September, October SPECIAL PROJECT

Our Special Project for September and October will be supporting Democratic candidates in the November election. You can show your support in a variety of ways: sign in your yard, phone banking, block walking, talking to family and friends, letter writing, push cards, and of course, money.

### A Piece of My Mind

Republicans are using the fact that Hillary Clinton was not prosecuted for her emails and the server at her residence to justify that *trump* should not be prosecuted. Even Jim Comey said that though she was negligent, no crime was committed. On the other hand, the former President stole over 40 boxes of documents belonging to the United States (you and me). These boxes were not stored in a secure environment: storage room, basement, his office--a private club in which big bucks got you in. And the Republicans have seemed to forget the most important aspect of their whole argument—she was never President. (See cartoon below)

# Actually, there's enough to draw conclusions.
