**Inspirational Comments from NWD Officers**

Tuesday's results were not what I expected at all. To say I was disappointed is an understatement. Venting my feelings have helped me get back on track. Listen, we all have worked hard and contributed and supported in the work to give everyone hope and opportunity. We can't stop just because we didn't win. We have to stay the course, fight the good fight. Prepare for the 2025 Mayoral Election. Preparation for the 2028 Presidential Election started the second our Democratic candidate Vice President Kamala Harris lost her bid as the 47th President. United and Onward!!!!

Mere Rodriguez

Even though we had a wonderful candidate: intelligent, experienced, a joyful warrior, but we did not win. The people in America had a choice. I believe because of racism and misogyny, Harris lost this fight. We'll carry on to make things better for all of us.

Barbara Moschner

I'm very disappointed at the level of political language, most recently with "garbage" and "trash". And the proliferation of lies. "Wake up, America!"

Gene Marck

If the economy is in such a crisis, why do the majority of Americans think Trump would be better? We forget his failure during Covid and the loss of 1 million American lives.

Adam Castillo

What the hell? Do you realize the majority of those dumbasses who voted for Trump drive cars, go to jobs (I guess those "white jobs"), interact with us on a daily basis? I gave myself 24 hrs to eat as many desserts as I could and now will avoid the scales, put on my stretch pants and get busy doing what Democrats always do—work for everyone and clean up Republican messes.
