A Few Words from Mere

Dear Northwest Democrats,
We are only a few days away from the 2024 general election. I am very proud to announce that because of you and your support throughout the year, NWD will be reaching out to 50,000 potential voters in the northwest area of San Antonio.

I have written to over 400 potential voters in my precinct, 1087. I plan to also phone bank. I am asking each of you to go that extra mile and reach out to your friends, family members and people you meet on a daily basis to help get out the Democratic vote. Our future is at stake.

I guarantee by doing so, that when you wake up on November 6th and Kamala Harris is elected as the 47th President of the United States, our future will be secured with democracy for all.

We're NOT Going Back!

Why The November 2024 Election Is Important, Part 10

1. **Project 2025**

Blueprint for a Republican administration in 2025

2. **School vouchers** on agenda for 2025 Texas legislature
3. **Retribution** on Democrats if MAGA is successful in November
4. **Texas Republicans** to have “Texas” version of electoral college
5. **Republican candidate** is oldest in US history
6. **Republican** elected officials agreeing with overt misogyny and racism
7. **National Weather Service** will be dismantled and privatized
8. **“They” are just weird.**

SUGGESTIONS FOR THE LAST WEEKS

Vote early and on the first day.

Put yard sign at your polling location.

Go to your polling location after you've voted and hold a yard sign and encourage voters to support ALL the Democrats on the ballot. **“Vote Blue All the Way Through”**

Get some of the postcards and mail to family, friends.

Audrey Fisher will be here to help you check to make sure you are not on the Suspension List. If you are, she'll be able to help you resolve this.
