Interesting Items

United States Constitution, Section 3, 14th Amendment Section 3 Disqualification from Holding Office

No person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.

Projection—the process of displacing one’s feelings onto a different person, animal or object. Psychological projection often gets observed in those with mental health disorders such as *Narcissistic Personality Disorder*, a personality disorder where the sufferer thinks of himself first in any given interaction. Projection is not a mental illness, however, projection may be a sign of a personality disorder. (Anyone you know?)

Joyce Dorrycott is back home. Due to a plumbing problem at the house, she had to be relocated for a few weeks. She's ready and willing for your phone calls or short visits.

16th Annual Pat Maloney, Sr. Public Service Award Dinner:

Total Contributions	\$20,880.00
Total Expenditures	\$17,605.61
TOTAL	\$3,274.39

Inflation is 3.18%, down from 8.3% in 2022. (Do you feel richer?) You are all knowledgeable adults and realize that when the cost of items increases, it never goes back to the original low price. Even though inflation has decreased about 5%, many items still cost more than in the past. We began paying Luby's \$5.50 for each breakfast in 2013. We charged you \$7, used to offset monthly expenses: paper, printer cartridges, stamps, flowers, cards, etc. To make a long story short (too late), the cost for **breakfast** will be **\$10**, beginning in **January, 2024**. Many of you already give \$10 per meeting and we thank you. Please do not let this keep you from our monthly meetings. The Executive Committee is discussing how best to make this cost increase easier for members. Suggestions are welcome.
